LK PLASTICS HEALTHCARE

The Right Partner For *YOUR* Success*!*

HEALTHCARE CATALOG

Elkay® Plastics Co., Inc.

THE ELKAY® ADVANTAGE

Since 1967, Elkay® Plastics has earned a stellar reputation as an industry leader in the field of flexible poly packaging. As a national manufacturer with 47 years of proven experience, Elkay Plastics exclusively sells through distribution to some of the largest healthcare providers in the country, including but not limited to GPOs, IDNs & the federal government. Because of our excellent product quality and competitive pricing, Elkay products are used in all points of care.

Elkay Plastics remains steadfast to its core values of making distributor partners successful by helping them grow their poly bag business and providing superlative customer care, premium quality products and long-term customer solutions. That's the Elkay Plastics Advantage!

Major advantages that Elkay Plastics provides to its Distributors to help them succeed include:

• ***SELECTION & AVAILABILITY to meet all your customers' needs.*** We provide immediate availability of our vast array of nearly 3,000 in-stock products. Eight distribution facilities around the US allow us to service 80% of the country with same day or next day delivery, and the remaining territory with two day delivery. With a fill rate of 99%, we can ship your order complete in as little as 3 hours.

• ***HIGHEST QUALITY, consistent product you can count on.*** Superior product quality and integrity ensure our products are consistently free from defects. Rigorous quality and certification standards such as ISO 9001:2008, CFIA and Annual Food Safety Audits ensure our products always meet or exceed specifications. Our C-TPAT certification strengthens the reliability of our supply chain to help ensure product availability and in addition to helping to ensure the safety and security of our employees, business partners and customers.

• ***TRADE AGREEMENTS ACT (TAA)-Compliant Healthcare Products.*** Elkay Plastics now has 188 TAA-compliant Healthcare products that meet Federal Acquisition Regulations (FAR) requirements in order to be sold to the Department of Defense, Veterans Integrated Service Networks and other US federal & state and county government agencies.

• ***CUSTOMER-FRIENDLY packaging that saves time and money.*** Many of our bags are shipped in cartons with individually labeled inner packs, ensuring that the products you receive are clean, orderly, and organized every time. Our dispensing system improves your customers' cost control, facilitates inventory management and minimizes waste.

• ***LOW PREPAID ORDER MINIMUMS allow you to order on your schedule.*** Your warehouse space is precious. Our competitively priced products have low order minimums so you can order the products you need, in the quantities you need, when you need them.

• ***CUSTOM MANUFACTURING when a special bag is required.*** Regardless of whether you need many containers of custom bags delivered directly to your customer or a short run of a few thousand custom printed bags, Elkay has the resources to deliver both quality and value. With the ability to print up to eight colors per side and a broad selection of materials, additives and configurations to choose from, Elkay can make your most elaborate designs a reality.

• ***MODERN TECHNOLOGY that makes your life easier.*** Elkay's mobile-friendly website, www.elkayplastics.com provides immediate access to pricing, product information, invoice history, UPS tracking, and order placement, even when you're on the go. It's also the home of our exclusive e-Brochure feature, which allows you to build customized product literature to help you sell more effectively. Elkay University **(www.elkayuniversity.com)** is an online training module that helps Distributor Sales Reps to learn about poly bags and how they're used in industry-specific product applications for Foodservice and Healthcare to expand sales opportunities in these areas.

BAG MATERIALS:

LLDPE (TUF-R® LINEAR LOW DENSITY POLYETHYLENE): Provides superior strength in a lighter gauge than LDPE, resulting in significant cost savings and resource reduction.

LDPE (LOW DENSITY POLYETHYLENE): Provides excellent protection for everyday use at a great price.

HDPE (HIGH DENSITY POLYETHYLENE): Light weight and high strength at an affordable cost make these bags an excellent choice for all purpose bags, merchandise bags and t-sacks.

PP (POLYPROPYLENE): Provides superior clarity with good strength. Excellent for food storage and retail presentation.

LABORATORY SPECIMEN BAGS

DISCOVER THE FEATURES THAT MAKE ELKAY LAB SPECIMEN BAGS THE BEST CHOICE FOR YOUR APPLICATION:

TAA (TRADE AGREEMENTS ACT) APPROVED COUNTRY: Many government facilities (such as VA hospitals) are prohibited from purchasing imported items unless they're manufactured in an approved country

LAB-SEAL™: Simple-to-use self-sealing adhesive closure. Just remove the protective strip and the bag securely seals itself.

LAB-LOC®: Elkay's zipper-style reclosable Lab Specimen bag. Many are produced in TAA approved countries.

THREE-WALL: These bags are made with an external document pouch.

TWO-WALL: These bags do not have an external document pouch.

ABSORBENT PAD: Pad contained within the bag that will absorb liquids that leak from the specimen container.

QTY/INNER: Most of Elkay's Lab Specimen bags are packaged in individually labeled inner dispenser packs (usually in packs of 50 or 100) for convenience, cleanliness and to reduce waste.

CUSTOM MANUFACTURING is available, including printing, size and configuration.

WHY SETTLE FOR ORDINARY?

Take advantage of Elkay's resources to add your own touch to your personal belongings bags. We can print anything from simple logos to elaborate artwork to help promote your facility and cheer up your patients.

Our custom design team and in-house graphic artists can help you design bags and artwork that will differentiate you from the rest and turn your belongings bags into walking advertisements for your facility.

- Any size, color, handle, or closure of your choice
- Ability to print your logo, special instructions, and graphics in up to 8 colors on two sides
- In-house graphic design services included at no additional cost
- Expert advice from our custom design team available
- Quick quotes and lead times

WHAT IS d2w® CONTROLLED-LIFE ADDITIVE?

d2w® Controlled-Life Additive helps control the harmful effects of litter on the environment. This FDA Compliant additive permits the bags to gradually self-destruct over a reasonable period of time when exposed to the outdoor environment but are still recyclable with conventional HDPE materials.

EQUIPMENT COVERS PROTECT AND ORGANIZE

Equipment covers do a great job of protecting expensive equipment from dust, dirt and moisture that can lead to costly repairs. Covers also help to isolate soiled equipment before cleaning, which can help reduce the spread of germs and other pathogens. Tinted covers or tags are used to designate equipment status so that clean, ready to use equipment can be instantly identified, soiled equipment can be identified for cleaning, and equipment that needs repair can be segregated.

These best practices have been adopted by the Healthcare Industry and are part of the standards set by accreditation organizations such as JCAHO, ACHC, and CHAPS, etc.

- Protect Equipment
- Identify Equipment Status
- Comply with Accreditation Requirements

5.3 EQUIPMENT COVERS (CONCENTRATORS/ VENTILATORS/LIQUID OXYGEN SYSTEMS)

- Help to ensure compliance with accreditation standards
- Sturdy covers protect equipment
- Tinted covers help signify equipment status

SECTION 7
GENERAL PURPOSE BAGS

7.1 SLIDE SEAL BAGS

- Dispenser carton
- Easy to open and close, even with gloved hands
- Sturdy 3 mil Polyethylene
- FDA Compliant

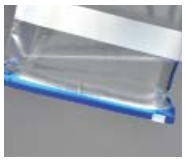
ITEM	SIZE	GAUGE (MIL)	QTY /CASE	LBS /CASE
FSL30606	6 X 6	3	250	3.0
FSL30609	6 X 9	3	250	4.0
FSL30807	8 X 7	3	250	4.5
FSL30810	8 X 10	3	250	5.0
FSL30912	9 X 12	3	250	7.0
FSL30107	10 X 7	3	250	5.5
FSL31215	12 X 15	3	250	11.0
FSL31318	13 X 18	3	250	14.0
FSL31411	14 X 11	3	250	10.0
FSL31612	16 X 12	3	250	12.0

SLIDE SEAL BAGS WITH WRITE-ON BLOCK

- White block for contents identification

ITEM	SIZE	GAUGE (MIL)	QTY /CASE	LBS /CASE
FSL30609W	6 X 9	3	250	4.0
FSL30912W	9 X 12	3	250	7.0

7.2 NO LEAK SLIDE SEAL BAGS WITH WRITE-ON BLOCK



- Special slide seal designed not to leak with high moisture contents
- Oversized slide seal is easy to use, even with gloved hands
- Write-on block for easy contents identification
- Dispenser carton

ITEM	SIZE	GAUGE (MIL)	QTY /CASE	LBS /CASE
FSL20807W	8 X 7	1.75	250	3.1
FSL20912W	9 X 12	1.75	250	4.4

7.3 GENERAL PURPOSE FLAT POLY BAGS

- Bags can be taped or heat sealed shut to protect and secure contents
- Economical choice for general storage
- Bags 15" wide and under packed in individually labeled dispenser packs for cleanliness, convenience and to reduce waste
- FDA Compliant

7.4 GENERAL PURPOSE GUSSET BAGS

- Gusseted bags for storing bulky items
- Bags can be taped or heat sealed shut to protect and secure contents
- Economical choice for general storage
- Bags 15" wide and under packed in individually labeled dispenser packs for cleanliness, convenience and to reduce waste
- FDA Compliant

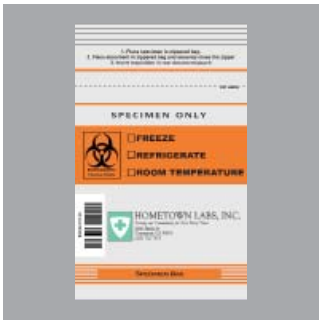
CUSTOM BAG PROGRAM

For all those times when a stock plastic bag doesn't quite fit perfectly, look to Elkay for the custom solution. Many poly bag manufacturers are severely limited in what types of custom bags they can produce. Elkay, on the other hand, has some of the most extensive custom manufacturing capabilities in the industry. There's an excellent chance that if you or your customer can imagine it, we can make it!

Regardless of whether you need many containers of custom bags delivered directly to your customer or a short run of a few thousand custom printed bags, Elkay has the resources to deliver both quality and value. With the ability to print up to 8 colors per side*, Elkay can make your most elaborate designs a reality.



SHORT RUN CUSTOM BAG PROGRAM

Even though Elkay is known for our ability to produce large runs of complex custom bags, many people aren't aware that we also have the ability to produce smaller runs to your exact specifications in as little as two to three weeks, and at a very competitive price. Because our Short Run Custom Bag Program can supply your customers with quantities as low as 50 pounds of product, it can help them control their cash flow by not requiring them to commit to a huge inventory that won't be needed for a while. See the specification table below for short run capabilities:

	Side Weld	Seal Top Reclosable	Bottom Seal

THE ELKAY® DIFFERENCE

But it's not just about manufacturing capacity. Your Elkay Sales Consultant has the training and experience to help your customer get the best bag for the job. Elkay Sales Consultants regularly work with our distributor customers and the end-user, coordinating with the Elkay Custom Department to find the best solution to tough packaging challenges. Just a few of the variables that are considered when custom designing a bag include size, gauge, material, configuration, printing and, of course, what the bag will be used for. With over 3,000 in stock items and our vast custom manufacturing abilities, Elkay can be your one stop supplier for all of your poly bag needs.

Contact the Elkay Custom Team at (800) 631-6131 to get started on your custom project today!

**8 colors printed per side dependant on bag configuration. Most bags can be printed up to 6 colors per side.*

Ordering INFORMATION

To view Elkay Plastics' complete Standard Conditions of Sale, please visit www.elkayplastics.com/termsandconditions.

Elkay Plastics sells to authorized distributors. For information on how to contact an authorized distributor in your area or to apply to become an Elkay distributor, contact us at **(800) 809-8393** or visit **www.elkayplastics.com**.

TERMS AND CONDITIONS

MINIMUM ORDER: $100 Net (a $10 small order charge will be added to orders of less than $100).

TERMS: (On Approved Accounts) 1% 10 days, Net 30.

SALES TAX: Sales tax will be charged unless a current sales tax exemption certificate is on file with Elkay.

DELIVERY: Freight prepaid on orders of $750 or more for a single shipment to the same destination. Orders less than $750 are shipped freight prepaid/add or freight collect. UPS shipments are prepaid/add. Additional freight costs that may be incurred for inside deliveries, lift gate, residential deliveries, or sort and segregate activities must be paid by the Buyer.

INSPECTION: Buyer should inspect Products as promptly as practical after receipt. However, unless earlier rejected or accepted, the Products shall be deemed to be accepted 5 days after receipt by Buyer.

RETURNS: Incorrect shipments will be exchanged or refunded after inspection by Elkay personnel if Elkay is notified within 5 days of receipt of Products. Except for custom orders, other returns may be made within 10 days of receipt and are subject to a standard 15% restocking charge. Returns must be shipped freight prepaid. Buyer must obtain return authorization and shipping instructions from our Customer Care Department before returning Products.

PRODUCT WARRANTIES: Products are warranted for 90 days from the date of delivery to be free from defects in material and workmanship and to conform to Elkay's published specifications applicable to such Products. Elkay makes no other warranties, express or implied, including without limitation warranties of merchantability or fitness for a particular purpose. In no event shall Elkay's liability for breach of warranty exceed the price of the Product involved.

DAMAGED SHIPMENTS: Although Elkay pallet wraps almost all orders to protect them in shipment, damage in transit occasionally does occur. If your shipment is damaged, write the details on the bill of lading, put the shipment aside and notify the freight carrier. It is the Buyer's responsibility to file a damage claim with the carrier promptly after inspecting the shipment.

SAMPLES: As an additional service, samples are provided free of charge for most Products listed in our catalog. However, we reserve the right to limit quantities. Samples may be requested via your Elkay sales representative or online at www.elkayplastics.com.

CUSTOM ORDERS: Requests for items not found in the catalog can be made through our Custom Manufacturing Department. Refer to page 28 for more information.
